**Renewable Energy Advocates Release 2020 Action
Plan for a New Hampshire Renewable Energy Future
Virtual Zoom Release- Oct. 13, 2020, 10AM**

Renewable energy advocates headed by House Science, Technology and Energy chair Rep. Robert Backus along with Rep. Peter Somssich and Rep. Ken Wells will host a virtual Zoom release of a white paper titled: “2020 Action Plan - A Renewable Energy Future for New Hampshire” on Oct. 13, 2020 at 10 am.

The 2020 Action Plan includes contributions by State Representatives Backus, Balch, Mann, McGhee, Moffett, Oxenham, Saunderson, Somssich and Wells, as well as State Senator David Watters and organizations such as Revision Energy, TRC Solutions and Seacoast Anti-Pollution League (SAPL).

The release event is open to the public. Those signing up via RSVP will receive the Zoom link as well as an alternate telephone number to participate at least 1 day before the event. Electronic copies of the white paper can be provided upon request, shortly before the official release. Please direct any request for more information or any questions to Rep. Somssich or Rep. Wells.

Please RSVP to attend this Zoom meeting using the contact address for either Rep. Somssich or Rep. Wells:
